Today, i.e. 06.08.2019 at around 12:40 pm based on specific information from my own source that one Mrs Simajan (36) W/O Md. Wahajuddin and Md. Ajmir Hussain (32) S/o (L) Md. Fazlur Rahaman of Lilong Haoreibi Turel Ahanbi, Darul Uloom Mathak is selling illegal drugs at their houses for their personal gain and some quantities of the said drugs were still there at their houses. Then, I reduced the said information into writing and sent a similar copy to the SP, Thoubal. Immediately, three teams of Lilong P.S. led by me, assisted by S.I. Md. Isha Khan and A.S.I. Laishram Tikendro of Lilong P.S. under the supervision of Shri Dr. S. Ibomcha Singh, MPS, Superintendent of Police, Thoubal District, Manipur rushed to Lilong Haoreibi Turel Ahanbi Darul Uloom Mathak. On reaching the spot at 01:30 pm, one team of Lilong P.S. led by A.S.I. Laishram Tikendro cordoned the house of Mrs Simajan (36) W/O Md. Wahajuddin of Lilong Haoreibi Turel Ahanbi, Darul Uloom Mathak and another team of Lilong P.S. led by S.I. Md. Isha Khan of Lilong P.S cordoned the house of Md. Ajmir Hussain (32) S/o (L) Md. Fazlur Rahaman. Then, at around 02:25 pm, I called out the family members of the house of Mrs. Simajan (36) W/O Md. Wahajuddin in that she came out of the house. Further, I informed her that our police team along with WPCs would like to conduct search of her house. With her consent I along with police party including WPC entered the house and started to search the house. On searching the house, found two nos. of blue colour plastic packets kept concealed in the hole (for inserting the wooden rod) of the mosquito net of her bed. When opening the said packets, reddish colour tablets suspected to be WY tablets were found in both the blue colour packets. Then I counted the said reddish colour tablets. In the 1<sup>st</sup> packet found 100 nos. of reddish colour suspected WY tablets and in the 2<sup>nd</sup> packet found 98 nos. of suspected WY tablets. Then, I measure the total weighed of the said tablets in that it weighed 19.3 grams excluding the weight of the blue colour plastic.

Out of the 100 nos. of suspected WY tablets 10 nos. of the same tablets were taken out and put inside two transparent plastic packets with 5 nos. of suspected WY tablets each and again put inside two yellow envelopes and packed and sealed and marked as "A1" and "A2" as original and duplicate sample exhibits respectively. And the remaining 90 nos. of suspected WY tablets is put inside the original blue colour packet and again put inside another yellow envelope packed and sealed and marked as "A" as parent sample exhibit.

Again out of the 98 nos. of suspected WY tablets 10 nos. of the same tablets were taken out and put inside two transparent plastic packets with 5 nos. of suspected WY tablets each and again put inside two yellow envelopes and packed and sealed and marked as "B1" and "B2" as original and duplicate sample exhibits respectively. And the remaining 88 nos. of suspected WY tablets is put inside the original blue colour packet and again put inside another yellow envelope packed and sealed and marked as "B" as parent sample exhibit.

Therefore the said packed and sealed drugs were seized from the unauthorised possession of Mrs Simajan (36) W/O Md. Wahajuddin on the spot by preparing a formal weighing & seizure memo in the presence of civil witnesses at 03:00 pm and also arrested her from the spot at 03:15 pm.

Hence a Suo- Motto case under **FIR No. 83(08)2019, LIL PS U/S 22(b)/25 ND & PS Act** is registered for investigation.
