Lilong Police Station
Thoubal District, Manipu

Today, i.e. 07/08 2019 at around 7:45 am received a specific information from my own source that a drug peddler namely **Meraimayum Syed Ajmir @ Amu (26) S/O Syed Hesamuddin of Lilong Haoreibi Awang Leikai** is selling illegal drugs at his house for his personal gain and some quantities of the said drugs are kept concealed at the neighbouring house of his uncle namely (L) Syed Gaffaruddin of Lilong Haoreibi Awang Leikai. Then, I prepared a source report by recording his statements and sent a similar copy to the SP, Thoubal. Immediately, teams of District Police Thoubal including three teams of Lilong P.S. led by Inspector Oinam Ajit Singh OC LIL PS, assisted by A.S.I. Md. Sera Khan Shah and A.S.I. Moirangthem Sangeet Singh of Lilong P.S., a team of CDO TBI led by SI Ramesh (Golf 58) under the supervision of Shri Th. Deshorjit Singh, MPS, Addl. SP L.O. Thoubal District and under the overall supervision of Dr. S. Ibomcha Singh, MPS, Superintendent of Police, Thoubal District, Manipur rushed to Lilong Haoreibi Awang Leikai along with the volunteers of ALADA (All Lilong Anti-Drug Association) rushed to the said spot.

On reaching the spot at 09:30 am, when our combined team tried to cordon the house of Syed Ajmir @ Amu, suddenly one person ran away from the backside of his house in a very suspicious manner. Then the combined team chased him down and managed to detain him. On verification he identified himself as Syed Ajmir @ Amu (26) yrs. S/O Syed Hesamuddin of Lilong Haoreibi Awang Leikai. Then our police team brought Syed Ajmir to the house of (L) Syed Md. Gaffaruddin of Lilong Haoreibi Awang Leikai (as per the information). Further our police team searched the house of (L) Syed Md. Gaffaruddin and found 2 nos. of white colour bag one marked as "Amazon", other one marked as "Flipkart", one blue and white colour polythene and one black polythene containing some suspicious items from the cupboard of the kitchen of the house.

On opening the white colour polythene marked as "Amazon" found blue colour cylindrical capsules suspected to be SP capsules. Then I count the total nos. of the said capsules, in that found 7,200 (Seven thousand two hundred) nos. of suspected Spasmo Proxyvon Capsules. On weighing the suspected SP capsules in the presence of civil witnesses found 4.32 kg. Out of which 20 nos. of the suspected SP capsules were taken out and put inside two yellow envelopes with 10 nos. each, packed and sealed and marked as "A1" and "A2" as original and duplicate sample exhibits respectively. And the remaining 7,180 (Seven thousand one hundred and eighty) nos. of the suspected SP is put inside the original plastic marked as "Amazon" and then wrapped with white colour cloth, packed and sealed and marked as "A" as Parent Sample exhibit.

Similarly, on opening the other white colour plastic packet marked as "Flipkart" found 7,200 (Seven thousand two hundred) nos. of blue colour cylindrical capsules suspected to be Spasmo Proxyvon Capsules. On weighing the suspected SP capsules in the presence of civil witnesses found 4.32 kg. Out of which 20 nos. of the suspected SP capsules were taken out and put inside two yellow envelopes with 10 nos. each, packed and sealed and marked as "S1" and "S2" as original and duplicate sample exhibits respectively. And the remaining 7,180 (Seven thousand one hundred and eighty) nos. of the suspected SP capsules is put inside the original plastic marked as "Flipkart" and then wrapped with white colour cloth, packed and sealed and marked as "S" as Parent Sample exhibit.

Then on opening the blue and white colour polythene containing suspicious items found 765 (seven hundred and sixty five) nos. of cylindrical capsules suspected to be SP capsules. On weighing the suspected SP capsules in the presence of civil witnesses found 0.459 kg. Out of which 20 nos. of the suspected SP capsules were taken out and put inside two yellow envelopes with 10 nos. each, packed and sealed and marked as "B1" and "B2" as original and duplicate sample exhibits respectively. And the remaining 745 (Seven hundred and forty five) nos. of suspected SP capsules is put inside the original blue and white polythene and again wrapped with white cloth packed and sealed and marked as "B" as Parent Sample Exhibit.

Further, on opening the black colour polythene found reddish colour tablets suspected to be WY tablets. On counting, it counts 10,000 (ten thousand) nos. of suspected WY tablets. Then I measure the total weight of the WY tablets in the presence of civil witnesses and found 1.2 Kg. Out of the 10,000 nos. of suspected WY tablets 20 nos. of the same tablets were taken out and put inside two yellow envelopes with 10 nos. each, packed and sealed and marked as "W1" and "W2" as original and duplicate sample exhibits respectively. And the remaining 9,980 (Nine thousand nine hundred eighty) nos. of suspected WY tablets is put inside the original black colour polythene and again wrapped with white cloth and packed and sealed and marked as "W" as Parent Sample Exhibit.

Therefore the said packed and sealed drugs were seized from the unauthorised possession of Meraimayum Syed Ajmir @ Amu (26) S/O Syed Hesamuddin of Lilong Haoreibi Awang Leikai from the house of (L) Syed Gaffaruddin of Lilong Haoreibi Awang Leikaiby preparing a formal weighing & seizure memo in the presence of civil witnesses at 10.10 am and also arrested him from the spot at 10:20 am.

Hence a case under FIR No. 84(08)2019, LIL PS U/S 21(c)/22(c)/25 ND & PS Act is registered for investigation.
