 Lilong Police Station  
 Thoubal District, Manipur

Today i.e. 05/03/2020 at about 4:00 pm, while I was Lilong Police Station, I received a specific information that one gunny sack containing some KETAMAX \* injection was lying abandoned in a drain near Sunrise English School, Lilong Chingeiching which was suspected to be kept by some unknown persons. Accordingly, the version of the informer was recorded in writing and a similar copy of the same has been forwarded to SP/Thoubal for information. Then, two teams of District Police Thoubal led by SDPO/TBL, namely Shri H. Johnny Sharma, MPS rushed to the said place. On reaching there at about 4:20 pm, found one gunny sack at the said place. Then, in presence of SDPO/TBL and witnesses, the said gunny sack was opened. On opening, found containing 295 (two hundred ninety five) nos. of KETAMAX \* injection bottle (30 ml each). On checking, each ml contains 50 mg of Ketamine hydrochloride (as per composition), which is a contraband substance under ND&PS Act. On calculation/weighing, one KETAMAX \* injection bottle contained  $50 \times 30 = 1,500$  mg (1.5 gram) of Ketamine hydrochloride (as per composition), i.e. altogether  $1500 \times 295 = 442500$  mg (442.5 grams) of Ketamine hydrochloride (as per composition). Then, at about 4:40 pm in presence of witnesses, I seized the detected articles i.e. 295 (two hundred ninety five) nos. of KETAMAX \* injection bottle (30 ml each) from the spot and was brought at Lilong PS for further necessary action.

Hence, a suo motto case under FIR No. 29(03)2020 LIL-PS U/s 22(b)/29 ND&PS Act has been registered for investigation.
